Rush Athletic FC has a Child Safeguarding Statement

Children and young people have a right to be safe when using our service.

We have created a Child Safeguarding Statement to show how we help keep children and young people safe.

It shows how people who work here help keep children and young people safe from being hurt or harmed when they are using this service.

The **'Relevant Person'** is the person you can talk to if you have any questions about the Child Safeguarding Statement.

The Relevant Person Here is:

Shay Dempsey

It is **never** your fault if someone is hurting you.

There is always someone who can help you.

If someone is hurting you or you are worried that someone is hurting your friend or family… **tell someone who works here or tell an adult you trust.**
